Hello there.

My name is Nick. I am a Computer Programming Graduate and a Cybersecurity student who is passionate about all things IT.

I love a challenge and the ability to work out solutions to complex problems with technology.

When I am not working or at school I can be found either working on side projects to grow and develop my skills or outside tending my garden.

Work Experience

General Worker

Mariano's Pizza Brantford-Brantford, ON

September 2023 to October 2024

I worked here as a general worker, where I was in charge of taking orders, making pizzas, and ensuring customers receive hot and fresh product.

Grill / General Worker
